To Make a Difference in Your Community

The planning committee has decided to utilize this opportunity to come together and showcase how great of an impact our membership can make in the communities we serve by sponsoring the first annual OEHA Gives Back Day of Service.

THERE ARE MANY WAYS TO GET INVOLVED:

- Volunteer to sign-up and serve on an OEHA Technical Committee (sign-up forms will be available at the Meet-and-Greet).
- Do you already volunteer for scouts, church functions, marathons, soup kitchens, Salvation Army, etc..? Let us know by sharing your project!
- Share your experience on social media using #OEHAGivesBack, or, by posting on our Facebook page @OhioEHAssociation.
- Participation in the OEHA Gives Back campaign is completely voluntary and not required for attendance at the Meet-and-Greet.
- The event is intended to highlight our time and talents already being volunteered as well as to inspire other members to become more involved.
- **SEE YOU THERE!!**
