

Have you ever been at an inspection and felt the need to take pictures for any of these reasons?

1. No one will believe without proof.
2. You could not help laughing (on the inside).
3. This explains why we have the food code.
4. You wonder why? Just why?

If so, we need those pictures for our Annual Picture This at our Southwest District Education Conference. Deadline for photos is Sept 21, 2022.

Please email photo to CahillJR@butlercountyohio.org.
