Larry Holbert Memorial Scholarship

The Ohio Environmental Health Association is pleased to offer a training scholarship in honor of Larry Holbert. Larry was adamant that Sanitarians and Sanitarians-In-Training have the opportunity to attend conferences to further their knowledge of not only the food code, but also of public health. OEHA will be providing 1 full scholarship for the 2020 Annual Conference in Columbus, Ohio April 16-17. The scholarship is open to either a Sanitarian or Sanitarian-In-Training who is **not** a current member of OEHA, and whose Health District will not pay for them to attend an OEHA conference. The Scholarship will include a 1 year membership to OEHA, Full Conference Registration, and two nights lodging (April 15 and 16) at the Marriott Columbus Northwest.

To apply for the scholarship please completed the application and return it along with a short essay on what this scholarship will mean to you and your career in public health by March 20, 2020 to yeagerc@butlercountyohio.org or mail to Carrie Yeager, RS Butler County General Health District, 301 S Third Street, Hamilton, Ohio 45011.
